

Agricultural Extension and education engineering	1
Production engineering and plant genetics	2
Horticultural science and engineering	3
Soil science and engineering	4
Animal science engineering	5
Science and engineering of food industries(Agricultural group)	6
plant Protection engineering	7
Forest science and engineering	8
Fisheries science and engineering	9
Nature engineering	10
Engineering of wood and cellulose products industries	11
Agricultural economics engineering	12
Water science and engineering	13

Biosystem mechanical engineering (Agricultural group)	14
Engineering of food industry machines	15
Furniture industry engineering	16
